

Connecting to your benefits

Our mission is to make accessing your benefits as fast and easy as possible! We are partnering with **Benefitexpress** to make your new hire and/or annual elections and ongoing benefit activities easy and informative.

Confirmation Statements

Your days of rummaging through paperwork are over, at least when it comes to your benefits elections! You can easily access your confirmation statement.

Need to share your elections? No problem. You can email or print your confirmation statement on demand.

Benefits Enrollment

After logging into The Heico Companies benefits website, you can access your benefits and make your new hire and/or annual elections quickly and securely. The system can guide you through the enrollment process step-by-step or give you the option to skip around depending on your needs. Have questions? The Heico Companies benefits website has embedded tools to help you compare plans or calculate needs.

Life Event Changes

If you experience a Life Event change, simply log into the benefit enrollment website. On the Welcome Page, click on the Life Events link and declare the appropriate event. The Heico Companies benefits website will walk you through the process and identify any additional steps necessary to complete your request.

Document Library

The Heico Companies benefits website maintains all of your materials in one place! The document library allows you to access plan information, forms, or company communication documents.

Support Options

Everyone has questions and we make sure yours are answered. You can contact The Heico Companies Benefits Support Center through live chat, secure email in your personal Benefits Portal, or phone at (833) 949-2991 Monday through Friday, 7:30am to 7:00pm CT.
